NAIZRAH CARE LTD

Statement of Purpose

Legal Entity

Naizrah Care Ltd is a limited company which was incorporated in England and Wales.

Details of Services

Naizrah Care Ltd provides accommodation and support for three persons with learning disability associated with autistic spectrum disorder who require nursing or personal care and support with day to day activities within the setting of a residential home. It is situated in a residential street within walking distance to the Luton Town centre with access to the community and benefits from facilities such as pubs, restaurants, wide range of shops, churches and cinemas. It also benefits from good access to public transport networks.

All service users have individual bedrooms equipped with hand basin. Communal areas are shared with the access to lounge/dining room, domestic style kitchen, downstairs toilet/shower and upstairs bathroom.

Aims and Objectives

Our primary objective is to provide support for individuals to live in the wider community and to maximise their potential, ensuring privacy, dignity, independence, choice, rights and fulfilment.

Our aims and objectives are as follows:

1. To provide the best possible quality care within the constraints available, ensuring the health and wellbeing of the people using our service is promoted and maintained.
2. Care plans and daily routines are developed through consultation with the people who use our service to ensure an individual approach truly reflecting our approach to Person Centred Planning.
3. We will empower the people who use our service to develop life skills, building confidence and self-esteem.
4. We will foster an atmosphere of care and support, which both enables and encourages the people who use our service to live a full interesting and independent lifestyle as far as possible with rules and regulations being kept to a minimum.
5. People who use our service will be treated with dignity, privacy and respect and will be protected from abuse. Their equality, diversity and human rights will be actively promoted.
6. People who use our service will be supported and cared for by appropriately qualified and competent staff, we will provide continuous professional development and on-going supervision and appraisals to demonstrate staff competency.

7. The people who use our service will be listened to through our quality assurance systems and user-friendly complaints procedure.
